

information was not readily available. The way to remedy that situation is to make it part of the abstract and record it in the Register of Deeds Office. That's what I've done. I'd ask you to adopt the bill, to advance the bill to E & R Initial.

PRESIDENT: Question is the advancement of the bill. Record your vote. Record.

CLERK: 25 ayes, 0 nays.

PRESIDENT: The bill is advanced. Under the North Balcony toward the rear of the Chamber we have two very distinguished guests from Japan. Mr. Kunio Miyamoto is one of Japan's most distinguished economists and also Masaharu Kohno who is the Third Secretary of the Embassy of Japan. They are here with their escort Mr. Steve Takechi from Omaha, all in the company of the Treasurer of the State of Nebraska, the honorable Frank Marsh. Would you gentlemen please stand and be recognized? You honor us by your visit and we thank you for coming here.

CLERK: Mr. President, Senator DeCamp asked unanimous consent that an explanation of vote be read before the Legislature. Read the explanation on page 622-3 of the Journal. Respectfully J. W. DeCamp.

PRESIDENT: Senator Frank Lewis, for what purpose do you ask recognition?

SENATOR F. LEWIS: Mr. Chairman, I think that there are some concerns that a number of people have looked at on that and I think Monday we'll have some kind of discussion on that, to advise the body. Also I would ask that Senator DeCamp amend his remarks there where he said, "in my humble opinion". That's very strange for him.

CLERK: Mr. President, Read Standing Committee Report from Judiciary on page 623 of the Journal. LB 168 placed on General File as amended. Signed Senator Barnett, Chairman.

PRESIDENT: We go to LB 99. Is this going to take very long, Senator Lewis?

SENATOR F. LEWIS: Mr. Chairman, I think that that issue would be of substantive debate and I want to be as quick as possible, but I think 7 minutes would be pressing it a little.

PRESIDENT: Yes, even for you, Senator, as brief as you are. That's why your microphone got turned off. Is there any point in taking up 81? That's laid over. Senator Schmit, 77 appears to be rather heavy, too doesn't it? There's nothing we can do about it, friends. Do you have anything else, Mr. Clerk?

CLERK: Motion on the desk, Mr. President. I move to adjourn til 9:00 Monday, February 28.

PRESIDENT: Before we take that up, Senator Frank Lewis, and all his humility has something.

SENATOR F. LEWIS: Mr. Chairman, question of the Speaker, on adjournment if I may, not to debate. It's 10:00? Ok

PRESIDENT: The motion is to adjourn until 10:00 Monday. All in favor say aye, contrary say nay. Motion carries. We are adjourned.
